Public Schools

OPEN HOUSE NOV 17 - 20

Open House, the time for the parents to visit with the teachers, will be held in the Wilmington Public Schools from November 17 through November 20, from 7 to 9 pm.

The Boutwell, Walker and Woburn Street Schools will have Open House on Nov. 17th.

The North Intermediate and the West Intermediate Schools will have Open House on Nov. 18th. Persons who will be unable to visit the North School are advised to call the secretary for an appointment (657-7111). The teachers

are available for such appointments during their unassigned periods, and at other times that may be mutually agreed upon. Guidance Directors are available throughout the day, during the school year.

There is to be a Book Fair, and a Cake and Pen Sale, sponsored by the Student Council, and will be held in the foyer of the school.

On November 19th the Glen Road, the High School and the Whitefield Schools will have their open house, and on the 20th Open House will be at the Buzzell School, the Center, Rogers and Swain Schools.

Bernie Wagstaff Variance Denied

Bernard F. Wagstaff, former General Manager for the Gildart Chevrolet Company, and who now seeks to establish his own auto sales business, was turned down by the Board of Appeals, on Oct. 31, in his request to build a combination garage and sales room, on land across from the Gildart Garage on Main Street.

Mr. Wagstaff, in August, had requested and received from the Board of Selectmen a license for the sale of second hand automobiles on the site - a Second Class Auto Dealers license. It was then pointed out that the by-laws of the town require permission of the Board of Appeals for Auto Licenses other than First Class (new cars).

The hearing was held on October

14th, at which time Wagstaff told the Appeal Board that he had to have the license before he could build his garage, and that he was not interested in having a gasoline sales license.

The Planning Board pointed out that the Town Meeting in 1959 had unanimously voted to have the uses requested only after a favorable Board of Appeals action; that there are at present an open lot for the parking and sale of used automobiles which is not operated in connection with a salesroom for new automobiles.

The Board of Appeals voted unanimously to deny the variance.

Mr. Wagstaff recently purchased the land, at a reported price of \$43,000.

Finest Town Manager Snow Storm in Years

Wilmington, during the past 11 days, has been presented with what the Town Crier calls a Town Manager Snow Storm - the finest in years.

A Town Manager Snow Storm can only occur during the winter, but instead of snow, rain falls. The point is that there are no plowing expenses, from rain, and the Town Manager saves money in his Snow Plowing Budget.

7 1/2 inches of rain fell at the

Wilmington Water Department pumping station in the 11 days ending yesterday morning, and it was still raining as the Town Crier went to press last night, with more predicted for today.

As a 'rule of thumb' 1 inch of rain equals 10 inches of wet snow, or 12 inches of light snow. If it had been wet snow the total would have been 75 inches, and if light snow there would have been a total of 90 inches!

Volkswagen Center is Dedicated

THE SECRETARY OF STATE: John F. X. Davoren, welcomes Volkswagen. At right is Stuart L. Perkins, President of Volkswagen Of America, Inc.

The new Volkswagen Center in Wilmington, off Route 93, was dedicated a week ago Sunday, in the presence of about 500 guests, officials of the town, of the company and others.

The new \$5 million distribution and training center is New England headquarters not only for Volkswagen, but for the newly established Porsche-Audi Division of New England.

Sam Tucker, Vice President and General Manager of Volkswagen Northeastern announced that the company's October sales, not only in New England, but all over the United States, were at an all high record.

Stuart Perkins, president of the Volkswagen of America, of which Volkswagen Northeastern is a subsidiary, told the guests that the new center handles four months supply of parts for Volkswagen - 25,000 different items.

Secretary of State Jack Davoren welcomed the Volkswagen Northeastern Company for the Commonwealth.

Board seeks to retain Prof. Eliot

The Wilmington Planning Board seeks to retain the services of Prof. Charles Eliot of Cambridge, the Planning Consultant to the board, after his services end in March.

The board unanimously decided in a Tuesday night meeting that they want to keep the services of Prof. Eliot for one year.

He has been conducting the board through the intricacies of the Federal 701 Program, in Wilmington, a program that will perhaps affect the future of this town, if accepted by the town. The work has been long and arduous, and Prof. Eliot has kept on top of it all the way.

The board also expressed a wish to provide some additional help for the chairman, in preparation for the coming annual Town Meeting, in March. Mrs. McKie has many tasks to complete, as the chairman, and the board feels that someone should be retained, for instance, to prepare the Articles for the Town Meeting.

While nothing was done about assistance to Mrs. McKie, the board did decide to set up a sub-committee to discuss a contract for Prof. Eliot. The discussion was initiated by A. Daniel Gillis.

Selectmen's Meeting

A proposed MAPC reservation, in South Wilmington and Burlington which would take up about 1000 acres, did not find favor with the Board of Selectmen, Monday night.

Three of the four present were against the idea of a reservation and reservoir, in the Maple Meadow Brook area. The fourth, Chairman James F. Banda, made no expressions of his opinion.

The presentation was made by Mrs. Julia O'Brien, professional planning consultant to the Massachusetts Area Planning Council, and Mrs. O'Brien was introduced by Madelyn McKie, Wilmington's representative on that council, and a member of the Executive Board.

Selectmen Boylen, MacDonald and Miceli skirted around the idea in a negative way, while Mrs. McKie, who is in favor, tried to keep them from making a definite 'NO' decision.

Mrs. O'Brien compared the proposed reservation to that of the Blue Hills, in Milton, which was set aside in 1890.

The plans on which she was working, she told the Selectmen, were for Boston and suburbs in about 2020.

Nothing would be done at this time, and it was even possible that nothing would ever happen, but the MAPC is making plans, in case money etc do become available.

The plans proposed a dam across the old Middlesex Canal, a short distance upstream from Main Street with a water impoundment area of about 100 acres, which, the plans showed, would take in a part of the Garden of Eden Country Club. Mrs. O'Brien said that she had shown the plans to Professor Elliot.

Boylen wanted to know if the proposed water retaining would affect the water table in nearby areas. Mrs. O'Brien replied that she was not an engineer, and that no in-depth engineering studies had been made.

MacDonald was reluctant to approve, because he thought it would add to the traffic on Chestnut St. etc. Mrs. O'Brien asked him if he preferred intensive development instead. After assuring him that she was not intending to be 'flip' she told MacDonald that if every community felt that way there would be no reservation areas.

The two ladies explained that the Cape Cod Reservation was a similar project, with wooded areas and hiking trails.

Boylen also objected to Wilmington having to be a reservoir for Reading. He mentioned Reading several times during the discussion.

Mrs. McKie, who may have to discuss the project in a meeting of the

MAPC Executive Committee today, was instructed to hold off discussion if possible, and to vote against it.

Benson Park

Half a dozen residents of Benson Park and South Street were at the meeting, to object to stories which had appeared in an out of town paper, last week, relative to the appearance of Mrs. Ann Linehan of Radcliffe Road, in the Selectmen's meeting.

Mrs. Linehan was among those who voiced displeasure, and said that the Town Crier report was 'much better'.

She said that she had said nothing about 'dope' in the area, nor about 'taxi service', and that she did have charges pending in Woburn court against a youngster for damages to property.

Bob Smith of South Street acted as spokesman for the group. Also speaking was Dick Chambers of

South Street. He said that four of the ladies in the area were upset by the story, and that 17 families in the area were 'whole heartedly in support of the police'.

Other Business

A request for transfer of funds for the Police Department, \$6896, was referred to the Finance Committee. \$3000 of this was for repair to police cruisers.

A letter was read from Edward MacDonald, 821 Bridge St. Lowell, about some town owned land adjacent to Route 93. He wants to develop a sports complex. It was referred to the Recreation Committee.

A letter from the president of the Standard Thompson Corporation was read commending John Harvey and George Shepard of the Police Department for their work in detecting the theft of a large number of thermostats, by one of the company employees. It was voted to place the letter in the files of the two men.

BOBBY ORR AND FRIENDS; Discussing sports, just before the Sports Nite held in the High School Tuesday, for the benefit of the Landers Family.

Planning Board

(From Front Page)

Other Business

The proposed real estate development off Federal Street, and near the Maple Meadow Brook was examined by members of the board, last Saturday, during the heavy rain. They reported that they found some good land, in from the street, but had some ideas to present to the developer on the layout of his lots.

Federal Street residents, near the proposed development were unanimously in favor, Morton Grant, Planning Board Member, said.

Danny Gillis reported that he had been checking over the plans for the proposed Urban Re-Development, off Eames Street, and found nothing about which the Planning Board could object. The plans are now to be examined by other members.

A report was received from a resident of Nathan Road, saying that his house lot had been built on, when it was unapproved.

After some discussion the board decided that perhaps the resident had been speaking of a plan in which the Board of Health had not approved of the lot, at the time the plans were accepted - a customary procedure, in many instances, in Wilmington. Such lots are later improved, and then approved by the Board of Health, before the Building Inspector issues a building permit.

A memo was sent to the Building Inspector, asking him to investigate.

The board also wrote to an attorney who was trying to have some restrictions removed from a lot of land on Del Drive. The board answered saying that they were trying to get the developer to complete his part of the project.

Nosey Nancy

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, and after five, 658-4865. If I'm not there, then I'll call you!

Don't forget the cards, Gals, to Father Edmund Croke at the Choate Hospital, (he's coming along fine, they tell me)...and Gertrude Ingraham of Wing Road is confined to Choate also with a heart problem...and Pearl Her-som is still in Winchester...They operated on her back, so she'll be tied up there for a while...

Let's get to the Church of your choice on Sunday, the 16th, or at least on your knees in the livingroom, and say that prayer for the safety of the boys in Viet Nam, peace, and the unity of the country, at the request of Cmdr. John Faulkner of the VFW. This is your opportunity. Even if you are a little bit rusty, God will hear you, so let's get with it now! This Chick is convinced that this is the only thing that is going to keep the ole US from falling apart at the seams. Help, will ya? Thanks! And we'll leave the rest to The Man Upstairs!

A Turkey Whist at St Thomas of Villanova on Nov 20th at 8 pm. One of our favorite people, Elizabeth Kelley is in charge and she and her committee want you to come and win the prizes, among these is an antique wall telephone radio, fifty dollars, and turkeys

and then there is going to be a knit table for those mittens and things, if you don't find them in other spots and Doris Allard is going to do her Thing...the Penny Sale, complete with valuable awards...so, on with the bib and tucker. Playing time is 8 pm sharp at Villanova on Thursday... Go, go, go!

Harvest Fair for the Eastern Star on Saturday, Nov 22, at the Masonic Temple on Church St a Tea Room will open at 10 to 2, and there will be Greeting Cards and Novelties, Aprons and Household Articles, as well as Toys and Grabs. Handmade goodies, and candy and homemade food, cakes, etc. Gifts

Baked Ham Supper served at 6:30 and reservations may be made by calling 658-9815 or 658-3191 before Wednesday, Nov 19th.

The Forest Street Congo is in tough straits...They want a preacher in the worst way...Somebody to at least preach on Sunday, with perhaps some other time for visitation among the parishioners... So, what they really need is a student, a part-time man, or a retired man...If you have any notions, please call Phyllis Atkins at 658-6087. This is the small white church on Forest St near the intersection of Aldrich Rd and they wish to keep it in tact, so if you can help in any way, please give Phyl a call...By the way, the leader doesn't need to be particularly ordained nor does

he need to be of the Congregational Denomination....Too bad one of the young fry around in the other parishes couldn't fill it in at least for Sunday morning... until a happy solution comes about. Perhaps a little prayer on that score from the other churches might help them out!

You know what happened to that Soccer team this week. Mr Lentini and his spouse cooked up a big spaghetti feed for those 26 fellas and had a big cake besides with goals made of Popsicle sticks and hair nets, which went to each co-captain, John Kalkanajian and Dave Stone, who took them home. Then, the boys responded with gifts of sweaters to Lentini and Peabody in appreciation for what they had done for the team...AND we hear that the faculty will play these Stars on Thursday afternoon at the High School (Hope all of the marks are in by that time, or no one could guarantee in what shape that faculty might appear!)

Now, here's something that is with it...The kids are looking for others who are interested in a non-denominational youth information center, where kids can go and rap or just be themselves! Some of the kids here have got the Coffee House itch. They are trying to get started. They have the sponsors, and are getting the place so now all they need is more kids. The next meeting is Wednesday Nov 19th at 7:30 at the Congo Church and you can call Jane at 658-4054 for more info....So, there you are young fry, you've been yelling for it...so turn up at the Congo on Wednesday...where it's at!

Then, on the 15th, those Leather-necks will have their vehicles in the Plaza looking for your Toys for Tots. If they are old, or new, ok and if they are too big or too many, just tell the Men down there and they will arrange a pickup. That's a good starting Christmas Project so they are looking for You!

Those Gal Scouts are on the Ball! Two Cadette Troops have offered assistance with the yarn project and Eva Gardiner of Middlesex Avenue, who is 78 years young sent Nellie a contribution and a birthday card this week. Nellie is over 50 and under 100 and operating on all eight burners! Our congratulations, Nellie, and may you live many years. If we ever saw anyone who was useful and thoughtful to others, it's our Nellie. Don't know what this Chick would do without her! Now it's your turn. Most of Nellie's knitters seem to be away or tired, how about you younger gals... Can we count on you after Xmas for some fill in for the gaps... Think it would be great after the Holidays to see all of you at those meetings with the Knit 2 Purl 1 routine, just like the Pioneer Days...What do you say!

Nellie is Nellie Thompson at 16 Shawsheen Avenue and a phone of 658-4886. Call her!

Hey the Boutwell School kids took a trip to Hammond Castle on recently. This is a tour at a special group rate and is open every Sunday afternoon from 2 to 4 and on holidays the tours begin at 10 through 4. Glad to hear that the kids are getting to see the sights around here.

Boys with outstanding grades are offered scholarships in grades nine

Letters

Oct 31-69

Dear Sir

A few years ago a man sent you a letter to print. The Letter said I was wrong in Criticing the then Town Manager. Your his letter in your paper with a Remark at the Edn.

'A Man may not get Respect because of his Title. Only he who Earn's it.'

Well now how about Mr. Fred Cain! Banker, Auto Dealer, Rep. 'so what'. In my opion he should earn his Respect. He has not gotten mine and will not get it from many other's also. Only a person like you will Butter him up no matter what he dose. Listed below are my reason's.

Transfer of Gas Lic. Raise his own pay. Has not done anything to help the People of Wilmington. Against the Poor Houseing Act. Against the Cutting of the House of Rep. These are but a few.

I close now and Hope if you dare to write this Letter in your Paper. If you dont do it. I do not blame you After all you need the money.

Sincerely - Honest

Truthful

Mr. Phil Vitale

(If the sun should rise from the west over Wilmington Town Hall, Mr Vitale would say it is a conspiracy. A very nice man personally, he always suspects the worst of anything political Ed.)

The Town Crier

Dear Larz,

How many 'points' does an intersection have to accumulate before it deserves a blinking traffic light? Surely, the intersection of Federal Street and Middlesex Ave must have that many points.

Now I don't mean to propose that that intersection ought to have a 3-way stop sign, or that severe bumps should be built into the roadway before the corner, so

you'd have to slow down to 15 mph before you come to it, as has been done at some intersections. But, it does seem that some good safety engineering is in order. Goodness knows, it's nearly impossible to protect some drivers from themselves. Some people are just driving around, an accident looking for a place to happen--and when they come to that corner, it happens.

But we should make an effort to protect other drivers from them. In the past five years, I believe a dozen innocent people have been sent to the hospital, just because they happened to be passing by when some idiot was having an accident. I think a lot of the accidents could be prevented if a big fat three-way (yellow, yellow, red) double blinker is installed at the corner. With a double blinker (one yellow light going on-off and the other off-on) a driver could hardly blink his eye and fail to see one or the other of the lights. What would such a light cost? How long before that amount of money could be 'saved' by a decreased accident rate? Does anybody else have a better idea on how to do the job? If this isn't one of the most dangerous intersections in town, who can name one that is getting 'points' at a faster rate?

Yours truly,
Robert A. Pease

Dear Larz:

In view of recent troubles throughout town in regards to house breaks and 'peeping toms' it might be worthwhile for the townspeople to reconsider some of their past decisions.

In our hast to keep school children from being bothered by dogs at bus stops (and for other very legitimate reasons) we neglected to consider the effective protective benefits that can be gained if dogs were not restrained in the evenings.

The average family man might feel more at ease when he is away for the evening knowing that a neighbor's dog might be keeping 'night prowlers' out of the neighborhood.

We have had incidents here in Hathaway Acres that definitely would not have happened if somebody's house pet was loose.

It behooves the town to consider lifting the leash law from sundown to sunrise before a serious after dark incident is on all of our consciences.

NATIONAL DAY OF PRAYER

A national day of prayer is being held on November 16th, sponsored by the Veterans of Foreign Wars Post 2958 of Wilmington. Com. John Faulkner has asked the residents to join in prayer for peace safety of our servicemen in Vietnam and national unity and guidance for the United States in this time of crisis.

Com. Faulkner expressed his wish that the clergy will set aside Nov 16th for special prayers in the Wilmington, churches, and temples and synagogues.

The 16th was selected because it is the first Sunday after Veterans Day, Nov 11th, and concludes the VFW 'Operation Speak Out' calling for unity and public support of American policies and troops in Vietnam.

In today's medical field, transplants are medicine's most exciting achievement. Every day, new reports over the radio and TV bring us news of the transplanting of an organ of the body from one person to another.

Heart transplants are the most dramatic of such operations. There are other less exciting transplants being performed also... the kidney, liver and pancreas.

All of these operations are bring the promise of new life to thousands of men, women and children. Medical advancement in this century has been phenomenal, wouldn't you say?

HOME OWNERS CORNER

by Roger
Many homeowners comment on the poor appearance of wall spaces above sinks, ranges and work counters due to continued washing off splashed grease and soapy water.

There is a way to protect these areas so they can be washed repeatedly over the years. Three common tile materials can be cemented to the wall.

First, ceramic tile a quarter-inch thick and about four inches square comes in pastel colors.

Second, a metal tile, thin and about four inches square is available.

Third, there is a plastic tile, thin and the same measurements that is popular. A toothed trowel is generally used and application of all kinds is the same!

Homeowners--protect your investment. Update your house with supplies purchased at A. B. SWEZEY INC., 615 Main St., 658-2051. Girl Scout News

Mrs William Dayton of Burlington Avenue, the Program Service Chairman of the Merrimac River Council Girl Scouts, of which Wilmington is in the Baldwin Neighborhood will attend a dinner meeting of the Councils to be held in the 88 Restaurant in Nashua on November 13th at 6 pm. The leaders will receive the ideas and thoughts for programs which were presented at the National Convention recently held in Seattle Washington.

Mrs Dayton says that the National Organization is very much aware of the trends of the day and had as it's theme 'Awareness Action'.

It was ascertained the youth should be listened to, but in return must be willing to be taught how to apply their thoughts and ideas in a constructive manner.

Memberships will be increased to \$2 per person, so that new professional help can be provided in all areas, with membership requirements broadened so that there will be something for every girl or woman at every age.

Affluent areas are going to help deprived areas. This will bring about awareness of the needs of others and closer cooperation.

On a vote of the convention, it was decided that the organization will remain uniformed and the 'Image' of scouting will be updated.

The need for good leaders to be effectively trained and for more sponsorship by the community was brought out.

Mrs Dayton wants you to know that there are 10,000 girls along the Merrimac River presently being served by the Council, with every day bringing additional numbers

Think this Chick had one of the most elating and rewarding experiences this week...Sue Mitchell called me and identified herself as the gal that is flat on her back for six months...and talk about courage, Sue has a steel plate in her leg and knee and cannot put any weight on them for six months. So, consequently in my appeal to you last week from Big Daddy for FISH, she was the Gal involved. She wants you all to know how thankful she is for the FISH program and what a great morale builder of human faith those people are that have been helping her. Not only have they done the housework, and the ironing, and the upstairs drapes, but they have sent in the meals twice a week too. She says she can't help soon enough herself. She is so enthusiastic and she tried to communicate with me the feelings she had about these folk. Think what she was trying to say how grand it was that they can Witness their Faith in that manner...and we think so too. Sue The Wilmingtonians are quite a Group...Now, remember and hear this, if you haven't called FISH to do your Thing...CALL THEM NOW 657-7778, That's the Ticket...and thanks to you, Sue...Now, Gal: how about a line to Sue Mitchell at 437 Salem Street in No. Wilmington, and she's going to help Nellie on that Afghan Project after the Holidays...What a gal!

COMMENDATION MEDAL FORMARC BLISS

Hospital Corpsman Third Class Marc Bliss, USN, son of Mr and Mrs E Hayward Bliss of 28 Glen Road received the Navy Unit Commendation during ceremonies on board the hospital ship USS Sanctuary, off the coast of Vietnam. The commendation was presented to the officers and men by the Commander of the US Seventh Fleet in recognition of the Sanctuary's exceptionally meritorious service from April 1967 to April of this year.

The Secretary of the Navy cited the white hulled ship for her service in providing highly responsive hospital ship services to American and allied forces ashore. In two years the Sanctuary recorded 7,000 helicopter landings, over 7,000 major operations, 12,300 patients admitted and treated a total of 23,500 servicemen.

Crusaders & Swordsmen

Fund Raising Meeting

During the 1970 competing season, the Wilmington Crusaders, Drum & Bugle Corps, hope to be able to take advantage of their new position in Class A, and accept contests out of state. Having won the Mayflower Championship in Class B, the corps is now automatically in Class A, the top class in the circuit.

Class A contests mean longer routines, and means invitations from out of state Corps.

The Blue Rocks, Drum & Bugle Corps of Wilmington Delaware, is one possibility being checked out, this winter, as a competitor. The Crusaders hope to make an appearance there in 1970, in what might be the first step on the road to National prominence in the Class A competition.

The Corps goals for membership for Class A has already been surpassed in some of the divisions of a Drum & Bugle Corps. Both the Color Guard and Drum Line have full membership, and the corps needs only five more in the Bugle Line to fulfill their quota.

The Color Guard now numbers 47 girls, and when fully equipped next spring it should make quite a striking picture, with 25 to 30 flags flying. New members are still being accepted, and all qualified members will compete in 1970.

The Crusaders regretted very much that they were unable to appear in the Horribles Parade in Wilmington last Friday. They already had a previous engagement to appear in one in the City of Woburn, a commitment which was made before the announcement of Wilmington's parade.

The Crusaders drill 11 a.m. to 1 p.m. at the High Hat Rolling Skating Rink in Lowell. This Sunday, however, there will be no practice due to the march at the Grand Opening Child World Store in Woburn. Experienced horns, buglers and all drummers have a music lesson at the Woburn Street School on Tuesdays from 7 to 9 p.m. New buglers drill at the same school but on Fridays, from 7 to 9 p.m.

The Crusaders are attempting to get an armory one Sunday a month to practice on.

The Swordsmen, Junior Corps, drills at the Woburn Street School from 1 to 3 p.m. on Saturdays, and Drum and Bugles have a music lesson from 6 to 8 p.m. at the Woburn Street School on Thursday.

Both the Crusaders and Swordsmen will march in the Veteran's Day Parade in Arlington.

There is to be a Fund Raising Meeting, next Monday, at 5 Rollins Road.

ALWAYS PRACTISING: Drummers of the Crusader Drum & Bugle Corps put a couple of spare minutes to use, with a convenient table top as a drum. At left is instructor Mike Cahill, and the two drummers are Bruce Poirer and Tim Cook.

Romp over Hornets

Junior halfback Dick Gillis scored two touchdowns and fullback Mike Esposito one on a punt return as the Wildcats upped their record to 6-1 with a 23-0 romp over the Green Hornets of No Reading last Saturday afternoon. Playing under partly sunny skies and wet underfoot, the Wildcats did not play a very good ball game. Gillis scoring sprints of 33 and 52 yards highlighted an otherwise dull game, although Esposito scratched the 100 point mark for the second straight year, notching nine points to raise his seasonal total to 103, even though he was held to 40 yards in fifteen attempts, his second sub-par rushing game in a row.

Despite the week of rain, the playing field was in fairly good condition, but to look at the highly regarded offense, one would have thought the Wildcats were playing in the mud all afternoon. Subtract Gillis scoring jaunts from the total yardage on the ground will show that the boys netted a mere 52 yards. Their total passing yardage was 68 yards with 6 completions in 14 tries with one interception. If the Wildcats had not been playing a team which is having one of its poorer seasons, the Green Hornets were 2-4 entering the game, they could have easily lost.

The strong defensive unit led by George Anderson, Jim Irwin, co-captain Tom Coates, Alan Helm, Steve Holloway, and Rick Smallidge enjoyed an excellent day, as they stopped the Hornets cold with 16 yards on the ground and 143 yards in the air as the Hornets passed 18 times completing 10 with one intercepted by Dick Gillis. The large passing yardage figure is deceiving as 69 yards of the total was made in the waning moments of the ball game as the opposition vainly tried to put a score on the board.

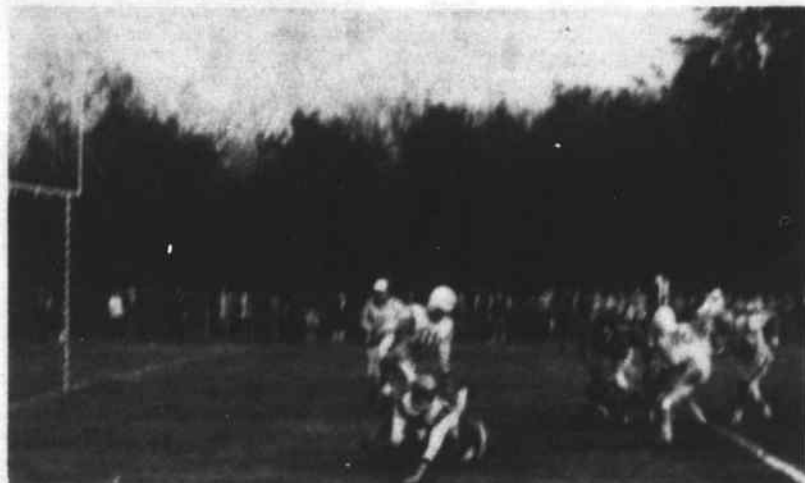

In conference action, Tewksbury gained a tie for first place with the Wildcats, as they romped over Methuen 30-7. In other league stopped Andover 22-0, Dracut downed Chelmsford, 18-0, and Billerica, the Wildcats next opponent routed winless No Andover by a 36-0 score.

The initial touchdown of the ball game came after the Hornets were forced to punt as they failed to garner a first down in the early minutes of the game. Gillis took the kick on the 48 and handed off to Esposito who streaked down the sideline to score with two minutes gone in the contest. Esposito converted to put the Wildcats on top 7-0.

North Reading made a serious bid to score late in the first period when Esposito was called for pass interference which gave the Hornets a first down on the Wildcats 30. The Hornets quarterback carried the ball for five straight times to the 19, but two incomplete passes stalled the drive and the Wildcats took over, but were able to move the ball out to the 30 where Esposito punted to the Hornets. The return was fumbled at the Wildcat 38 and sophomore Steve Holloway made the first of his two recoveries. Two plays later, junior quarter back Bill Gustus hit Gillis for a 32 yard pass completion to the Hornet 33. On the next play from scrimmage Gillis made an excellent run into the end zone for the second TD of the game and his sixth of the season. Esposito converted the

ESPOSITO REELS OFF 22 YARDS: to the 40 yard line, returning a punt in the third quarter.

ADDING A LITTLE TO THE SCORE: Mark Jepson tackled the North Reading QB, Brian Emerson, behind the goal line, to add 2 points to the Wilmington score.

A BEAUTIFUL CATCH: By Dan Ballou, on a pass from QB Gustus

extra point attempt and at 5:17 of the second period the Wildcats were on top, 14-0.

The Wildcats almost scored again before the end of the half after Holloway recovered a No Reading miscue at the 21, but Gustus had his TD pass attempt intercepted in the end zone by the Hornets and the half ended. The Wildcats made it 21-0 at the 14 second mark of the third period after Helm returned a short kick to his own 48. Gillis broke off tackle, broke two tackles at the 30 yard line with two excellent fakes and raced 52 yards for his second score of the day. Once again, Esposito converted and the game was out of reach.

The boys put together an excellent 59 yard march at the end of the period and into fourth stanza only to be foiled at the Hornets one-yard line when Esposito fumbled. The big plays in the drive which encompassed 16 plays, were a fifteen yard run by Rick Smallidge, a ten-yard pickup by Esposito and a pass interference penalty which put the ball on the one where it was fumbled. The Wildcats quickly salvaged two points when the Hornets QB tried to sweep the end only to be nailed in the end zone by freshman Mark Jepson for a safety, adding to a final score of 23-0. North Reading was unable to do too much except for the final seconds when they con-

ducted on five-pass completions but time ran out for them on the Wildcat 19.

Individual statistics: rushing - Gillis 16 for 99 yards; Esposito, 15 for 40 yards; Smallidge, 5 for 17 yards; Gustus, 3 for -16 yards and in passing Gustus, 6 for 13 yards, 0 of 1. Pass receiving: Ballou, 3 for 14 yards; Gillis, 2 for 41 yards; Esposito 1 for 2 yards.

The Freshmen and Jayvee contest were cancelled for obvious reasons...RAIN. Tomorrow afternoon the Frosh, under the excellent guidance of Coaches Muir and Bowen, travel to Billerica looking for their seventh victory of the season. On Saturday, the varsity will host a tough Billerica team, which is coming off two straight wins, one of which was an upset over Andover two weeks ago, with kick off listed for 1:30 pm. Let's hope the fans will come out and support this winning team of Coach Bellissimo, as they are not supporting the squad as it should be. Why?

Soccer Team has 5th Shutout

The Wildcats defeated North Reading by a 4-0 score last Thursday afternoon for its fifth straight win and the 5th shut out of the season for senior goalie Fank Leverone. Playing under rainy and cold skies, Coach Lentini's boys were really up for their final encounter of the season as they out shot the Green Hornets, 22-9. Platt opened the scoring at 12:07 of the first period with an unassisted goal. Two third period

goals put the game on ice as the Wildcats kept the ball in the Hornets end constantly. Lance Platt scored his second goal of the game on a penalty kick at 7:30 and three minutes later senior inside left Bob Capozzi scored his first goal of the year from in close with an assist to junior Hal Stewart. Senior co-captain Dave Stone completed the scoring at 6:20 of the final stanza after receiving a pass from junior inside left John Lippiello. In a post game mee-

ting the team elected tri-captains for the 1970 season. They are Harry Latta, Hal Stewart, and John Lippiello. Final statistics show Lance Platt as the top scorer with three. Four players were second with two goals apiece namely Bill Cole, Captain Kalkanajian, Captain Stone and sophomore Frank Simmons. The top players in the assist department were Jason Platt, Cole, Latta, and Bob Materse all with two.

Newhouse Clinches Title

Sweetheart Plastics erupted for a 72-18 win over Charles River two days after the Jim Miceli Club had toppled Sweetheart 83-38, but it was all for naught as the Newhouse Builders clinched the Wilmington Jaycees Football title besting the Elks 63-34.

On Tuesday, the new dethroned Jim Miceli men got a 5 touchdown performance out of halfback Mick Farrell, and 3 more by end Dave Fuller leading a second half come-from-behind victory. Dick Ethier completed 28 of 38 tosses for 375 yards and 8 touchdowns and safety Denny Shaughnessy had 9 tackles for Miceli. Center Bill Lardano tallied 3 times and Steve Enos, passed for 4 scores in defeat for Sweetheart.

The following evening, the Newhouse Builders roared out in front 33-0 and coasted to its eleventh straight victory on the strength of Billy Wall's passing arm. Walls clicked on half of his 36 throws for 280 yards and 6 TD's including 3 to Fleet Frank McLaughlin Dan O'Connell scored on a pass interception return and a kickoff return as well as catching a pass for six for Jack Cushing's Builders. For the Elks, Lenny Gustus passed for 4 T.D's and Billy Harrison scored 19 points giving him 117 for the year.

On Thursday, Johnny Rose and Larry Minton made 3 touchdowns a piece, while Steve Enos passed for 5 and ran for another TD in pacing Sweetheart Plastics to its second win of the season. Defensive stars Bucchino and Goguen had standout efforts with 3 interceptions and 8 tackles respectively.

Action continued this week with a full slate and the final game of the season will be played next Wednesday night under the lights at the Town Park.

Start Dec. 5

Winter Swim Classes at Y

The North Suburban YMCA, 553 Main St. Woburn (935-3270) will start its winter swim program for Wilmington boys and girls, seven through twelve years of age, on Friday, Dec. 5th.

The eight week instructional swimming program is to be conducted at the Lowell YMCA Pool, from 5:30 to 6:30 pm on Fridays.

Bus transportation will be provided, leaving the Wilmington Plaza at 4:45 pm and the Silver Lake Pharmacy at 4:50 pm, and returning to the Silver Lake Pharmacy at 7:10 pm and the Plaza at 7:15.

The program will again be under the direction of Mrs Annette Leathers, assisted by David Argo and Thomas Smoot and a dedicated group of volunteers. All levels of instruction, from beginners to advanced, will be taught.

Registration is limited to 50 children.

Pop Warner Flag Football

In fifth round action last Saturday night, the Mad Dogs edged the Chargers and the Hackers outlasted the Wildcats. With one week to go in the regular season, the Mad Dogs lead the league with a 4-0-1 mark and the Hackers remain one full game back at 3-1-1.

The first game of the evening saw the Hackers finally get their offense moving in the second half to score 14 points and hand the Wildcats their fifth straight loss, 21-7. It was 7-0 Hackers at half time, thanks to a touchdown run of an intercepted pass by Pete Gilson Rich Zwahlen led the Hackers, scoring with 7 points, followed by Gilson with 6, Rick Ethier 6, and extra points by Paul McGrath and Dan Sughrie. Mike Tower scored all 7 for the Wildcats, and he led the hard-hitting defensive unit that held the Hackers in check most of the game.

The evenings' second game saw the Mad Dogs slip by again. This time, they edged the Chargers 6-0 on a play rarely seen. Dave Rounds the leagues leading scorer was tackled on the 19 yard line. Tackling is not allowed in flag football and if the penalty occurs within the defenses 20 yard line, it results in an automatic touchdown. Actually, the victory belonged to the defense. The Mad Dogs have allowed a touchdown or less in all but one game this year, and this is the main reason they stand atop the league.

The regular season ends this Saturday, with the Chargers taking on the Hackers at 6 pm and the Wildcats looking for an upset at the expense of the Mad Dogs at 7 pm.

If you don't smoke cigarettes

State Mutual can now give you a healthy rate reduction on disability income insurance.

We were the first to offer reduced life insurance rates to people who hadn't smoked a cigarette in at least a year. And now we're offering the same deal on new Disability Income insurance... simply because we feel non-cigarette smokers are better health insurance risks, too.

So if you haven't smoked a cigarette for at least a year — pipes and cigars are permissible — let us tell you how much you can save on new Disability Income insurance with State Mutual.
